

NATIONAL UMMA PARTY FOR JUST PEACE & DEMOCRATIC GOVERNANCE

The only safe option is engineering a new road toward governance, peace and constitution a process that will not exclude anyone and shall not be dominated by anyone. Viability of this process necessitate the regime to declare a real & serious steps towards a new morning .

We always call repeatedly this new morning can be achieved through the road map, but circumstances will not allow and readiness of the stakeholders which means if the regime really wants a safe exist for themselves and the country he should put all before their responsibility that the fruitfulness of the road map is the solution by abiding of the following: -

(1) New Procedures are:

Cessation of hostility and a mechanism to observe the fair implementation .

- Flow of humanitarian relief under Usaid & Red Cross
- Release of all political detainees & PW (prisoners of war) .
- General Freedom
- Abiding by General Amnesty

(2) Comprehensive Peace Just should be based on the following:

- Sudanese Identity is complexion of population diversity
- Equality in Citizenship in both Rights & Duties
- Admitting that Citizens are affected by the unfair Development ,Services, Sharing Power and abiding by Just & the required Balance
- Assuring to remove war effects by returning the rights and paying compensation
- Restructuring of the armed forces in a way to show it is Nationality and organising other armed forces

(3) Establishing Transitional, National Government featuring:

- Transitional Governance not monopolised by one nor excluding any one
- All stakeholder to be represented symbolically
- Most of it Technocrats
- The Mission: To abolish impoverishment effects, reaching a compromise with the ICC to be accepted by the Security Council, transitional just by

hibread Court or A commission for fact & just, writing off foreign debt, removing Sudan name from terrorism list, dealing with the international resolution concerning Sudan.

(4) A call for National Constitutional Conference based on the following:

-Establishing Democratic Governance granting Human Rights

-Establishing self decenteerlised Governance

With federalised Authorities

-Allowing the right of the Political Forces with Islamic, National, Africatitute to compete democratically as long as they abide by equality in Citecenship and all State institutions organised, civil, media, should take national attitude to deter parties exploitation

-Admiting that Sudan have five belinging circles:

Nationalism, Islamic, National, Africatitute and International a base should be set to ensure harmony in cooperative way

(5) This process necessate all Political Forces should unite their attitude towards this positive process and should make thoughtfull reform, reconstructs their bodies to make the required sustainable Democracy a fact .

We in NUP as a response to this process will act positively with all stake holders and we shall work hard to crystalise this procedure

(1) The historical Political Forces particularly the National Umma Party and Unionist shall make thought and structural revise as we are going to explain it in NUP

(2) Political Foces with modern Islamic should revise their attitude to be abide by Human Rights, Equality in Citecenship and the Democratic mechanism

(3) Political Forces with Marxist reference should revise their attitude towards religion, free market mechanism and democracy and should observe the positive development in these area since the first Marxisim and faliar of the Soviet experience

(4) Foces with Bathist & Nasirism should be abide by giving a profitable definition for Arabism and accepting other cultures rights under Citecenship rights and should abide by multiple democracy contrary to the Nasirism experiences and actual Bathist

(5) African Forces with African reference should refrain from identifying Africa by ethnicity and should look to all content citizens equally and should observe the common geopolitical interest

(6) Opposition Forces supporting the margin should abide by the required Peace Agreement in United Sudan and refrain from Self Determination call and accepting the requirements of one State under Peace Agreement they can form Parties or make alliances with other Parties carrying the same objectives

All thought, Political forces linked with same objectives abroad should bear in mind that priority is for Sudan and they should refrain from being followers
